Date

Reason for alternative credits. Check off the appropriate box and attach requested documentation. Credits cannot be approved without documentation.

- ☐ Passing an examination, which leads to an approved insurance designation. 12 credits for each passed examination. List the designation _____ and provide the passing notice for each course.
- ☐ Successful completion of a college level insurance course. Attach course description as it appears in college catalog and transcript showing successful completion and semester hours granted.
- ☐ Maintaining an insurance designation with its own CE requirements. 12 credits applied for each full year the designation is maintained during the licensing cycle. Please complete CE 1-A form annually to receive 12 credits per year. This form is to be completed by a representative of the organization issuing the designation. The Insurance Designation – CE1A form may be obtained through our website at www.njdobi.org.
- ☐ Maintaining the continuing education requirements for an insurance producer license in another state. Identify the other state, and document satisfaction of their continuing education requirements. Individuals who maintain a resident insurance producer license in more than one state may benefit from declaring one state or the other as their home state.
